

CHANGES TO WICHITA TRANSIT BUS ROUTES

JULY 27, 2009

- College Hill* Currently, the outbound College Hill route travels south on Calhoun from Kellogg Drive, east on Orme, then north on Armour, past Towne East shopping center, east on Douglas, then south on Rock Road, headed back to the Transit Center.
- As a result of changes to this route, the bus will no longer travel on Calhoun or Orme and will go south on Webb Road instead of Rock Road.
- East Central* Currently, the outbound East Central route travels south on Rock Road from Central, east on Douglas, then north on Webb, back to Central, with a straight shot west on Central back to the Transit Center.
- As a result of changes to this route, the bus will no longer travel on Rock Road to Douglas, Douglas to Webb, or Webb to Central. Additions to this route include travel on Van Thaden and Goebel streets at the far east end of the route before heading back to the Transit Center.
- East Harry* Currently, the outbound East Harry route travels on Grand and Clifton in the St. Joseph Hospital area, east on Harry, north on Webb, out to Walmart at the far east end of the route, back west on Kellogg, north on Webb, west on Douglas, south on Rock Rd., west on Kellogg, north on Armour, east on Douglas, south on Webb, continuing route.
- As a result of changes to this route, the outbound bus will no longer travel Grand and Clifton. It will no longer travel Webb between Kellogg and Douglas and will no longer travel Douglas between Rock Rd. and Webb. When it leaves Walmart on east Kellogg, the bus will take Kellogg west to Armour, north on Armour, east on Douglas, south on Rock Road, west on Harry, continuing route.
- North Waco* Currently, the outbound North Waco route travels north on Waco, west on 21st St. to Jackson, north on Jackson to 23rd St., then west on 23rd to Arkansas. The inbound route travels south on Arkansas to 23rd St., east on 23rd to Waco, then south on Waco, continuing route.
- As a result of changes to this route, the outbound bus will no longer travel this route but will go north on Waco to 21st St., then west to Arkansas. The inbound bus will travel south on Arkansas to 20th St., east on 20th to Waco, then south on Waco, continuing route.
- Southside Connector*..... Currently, the Southside Connector route travels south on K-15 to 47th St., thru Youthville and WATC, west on 47th St. to K-15, north to Clifton, south to 47th St., west to Osage, north to Davis, west to Seneca, south to 55th St., then east to Hydraulic, continuing route.
- As a result of changes to this route, the bus will travel south on K-15 to Clifton, south to 47th St., thru Youthville and WATC, west on 47th St. to Broadway, north on Broadway and thru Dillons' parking lot, south on Broadway to 55th St., then east to Hydraulic, continuing route.
- West Central* Currently, the West Central route travels south on Anna to Maple, east to West St.,

south to Taft, west to Tracy, north to Maple, continuing route.

As a result of changes to this route, the bus will travel south on Anna to Douglas, east to Tracy, south to Maple, west to Elder, continuing route.
